

BRISBANE HASH HOUSE HARRIERS

THIS CERTIFIES THAT

PUSSY GALORE / BEST AND LESS

have unsuccessfully completed the haring of 'Beanie'
Run 2317, in the Carindale / Minnippi Parkland area
which reduced 12 runners (JC & Craft seen hobbling
back) to a finishing 5 (**Catgut, Bugs, Tinkerbell, Even
Optus & Scruffy**); run completed in 1 hour 24minutes
well outside the allocated 59minutes; confusing runners
by placing arrows on 'roll curbs' (*gen Y talk for gutters*);
hares iPhone battery going flat in Carindale streets
causing their App map to malfunction and lose direction
of run; and allowing a stage for **SOTW Rolf**
'**Tinkerbell**' Harris to promote his latest song.
