Run No. 2323 "Footy Finals Fever"

Hares = **Radar, Bugs, Boxy (from Northside)**

Venue = Aspley Leagues Club, 29 Kirby Rd, Aspley

Soooo... Nobody got off their @rse to write this report, but here's where we ran, courtesy of Grewsome's Garmin. It was a really good run with some good shaggy along Cabbage Tree Creek. But then we missed an arrow beside Gympie Road, and ran on west along the walkers trail, following that for an extra three kilometres or so!
