

RUN REPORT - Run No 2386

Hares - XXXX, Virgin, Ron The Bomb

Venue - Souths Rugby Club, Yeronga

A big turnout of over 40 runners and walkers congregated at Yeronga Park. The recent departure of SNAKE was the topic of conversation with many humorous anecdotes of his time with Brisbane Hash. It was generally agreed that he was a good bloke who exemplified the Hash spirit. Despite living on the Gold Coast, he was a regular contributor to Hash events and will be missed by all.

In recognition of our inevitable demise, the Hares thoughtfully arranged for a young lady suitably attired in nurse's clobber to take each Hashman's heart rate and issue a numbered ticket recording the reading. Some miscreants obviously attracted to the young lady recorded abnormally high ratings. Others, such as EMBRYO and BRENGUN failed to register, prompting calls for LIFE

MEMBERSHIP. The plan was for readings to be taken again at the end of the run with awards given to those with the highest and lowest increase. As expected, this degenerated into a fiasco which I assume was not entirely unpredicted.

MULTIPLE CHOICE won an award (a scale model Volvo truck) for one of the differentials, but I am not sure whether it was for the highest or lowest or as compensation for spending about ten minutes on the ice while the other nominees' stories were put to the circle. LUFTWAFFE, acting as assistant monk, got SOTW for a rambling incoherent attempt to implicate his mate MULTIPLE in some deed that neither was worthy of mention nor warranted sanction. The moral of the story. If you have got nothing, keep your mouth shut or embellish the story to get traction regardless of the facts.

By the way, BRENGUN, I have a couple of combs for sale if you want them.

Runners and walkers took off through Yeronga Park and Yeerongpilly streets and crossed over the train line at Yeerongpilly Station. We passed through PUSSY GALORE'S development, Yeerongpilly Green at the old Animal Research land, and then on through Stevens, Feez and Kadumba Streets, before going down Heritage Place onto the riverbank pathways. We emerged on to Ormadale Road, passing Mark Stockwell's new mansion and then back along Hyde Road to Fairfield Road, and then home via Yeronga Park.

The run was long and predictable with three regroup, rather than checks keeping the pack together. VASO and I were content to plod along at the rear of the pack discussing points of interest. The young guns, TIGHT NUTS and SPLATT kept the usual FRB's, OPTUS and TINKERBELL, honest.

The food was good, the venue was as good as any.
