

RUN REPORT #2415

VENUE: CAMP HILL

HARES: SCRUFFY AND ANOTHER HASHMAN????

A reasonable size pack consisting of more walkers than runners headed off from somewhere in Camp Hill. The trail was pretty well marked until they hit the bush at Whites Hill. The pack then headed bush leaving Multiple and Little Assplay behind lost in the woods. Multiple had to guide Little Assplay out of the woods back to the Circle. The rest of the runners made it back to the Circle in time leaving Multiple and Little Assplay to bring up the rear AGAIN.

During the Circle, The Monk called out several hashmen but there were two outstanding misdemeanors. The first was Tinkerbell evading the police in Bali for stealing the Inter-Hash banner (WELL DONE). However, Shit of the Week went to Divot for paying for a girl/boy and when he realised it was a boy, he wouldn't stop because he had already paid his money.
