

## The 'Where Are You Grewsome Run' Report

(AKA: the Stand-in Run)

When: 14 November 2016

Where: Tingalpa Pub

Hares: **Tweety** (standing-in for Grewsome) and **Craft** (standing-in for himself)

Geez, I had the flu, feeling not-with it, standing by myself when the **stand-in GM F#\*knut** volunteered me as the stand-in scribe for the run. I protested "I don't have time to do a report as I have to prepare the hash cash books for the upcoming AGPU", to no avail. Second attempt, "I'm not running as I got the flu, you pr\*@k", still to no avail.

Good crowd were standing-about when stand-in GM **F#\*knut** called for instructions from stand-in hare **Tweety**. Nothing out-standing about his run/walk instructions followed by a bit of stand-out finger pointing to get the pack going. See attached map by stand-in technocrat **Optus (Grewsome** was to do) for run / walk info. For those not technically savvy, the run / walk was one big f#@kin' circle which went out to Minnippi Parklands and back home, for an approx. 1 hour+ run and 1 hour 20 walk.

On return, stand-in hare **Tweety** and standing-in for himself **Craft**, became self-appointed stand-in brewmasters by raiding **Luftwaffe** truck to access the grog. Hash **Monk Irish Joke**, who could not find a stand-in monk, worked the standing-by hashers with stories of misdemeanours. I can only recall a few, due to heavy flu medication, being **JC** for again falling asleep on the rail journey home after the Over 60S lunch, and stand-in hare **Tweety** for setting a run longer than the stand-ard time.

**Run:** 2/10 as stand-in hare did not adhere to hash run time standing-orders.

**Circle:** 8/10 for another out-standing performance by Monk Irish Joke and making stand-in hare **Tweety** SOTW.

**Nosh:** NSR as stand-in scribe \$cruffy departed early as unable to stand-up any longer due to illness.
