

## “Where’s Snappy” Run 2538 - 15 October 2018

Hares: **Verbal D** and **Scruffy**

Location: Club Southside, Upper Mt Gravatt

Following the late withdrawal of Snappy Tom (his birthday run), Verbal D and Scruffy stepped up to set a meticulously planned run when again the heavens opened. The boys (the hares that is) dug deep for their hashing mates for a run of the year effort! (unlike the outrages claim made by the previous week’s hares)

The hares, unperturbed by the torrential cyclone like rain conditions, using waterproof chalk and toilet paper soldiered on. The trail set forth in an easterly direction through little know Dennis Webb Park onwards to Dawson Road onto Brush Box Park.

With excellent haring skills the run then moved further east through Wishart Road Park over Newnham Road past the medical centre and pet shop centre. A RG was soon set near the Wishart State School as hyperthermia was setting in for the hares.

Unperturbed by the horrendous weather conditions, the hares battled on knowing that the hardy BH3 runners / walkers would appreciate their courages haring efforts with drinks and pats on the back for setting such a fine run.

The set run continued through the Wishart Nature Reserve onto Newnham Road then proceeding down Mt Gravatt-Capalaba Road back to Club Southside.

Satisfied that the hares had completed a marvellous haring mission for their BH3 mates, they waited in the Club with a satisfying beer (purchased by themselves), anticipating a circle with appreciative runners and walkers.

And waited, and waited, and waited. The walkers returned followed by runners **Tinkerbelle**, **XXXX** and **Bugs**. **GM Luftwaffe** decreed that it was too wet for an outside circle and promised a free beer for all those hearty soles who turned up. Nothing eventuated, no circle, no drinks for the hares or hashers, no down-downs, no shit of the week....*NOOOOTHIIIIING..... ZIIILCH.....ZEEERO!!!!!!*

**Run:** 11 out of 10 (extra points awarded for setting the run in such conditions)

**Circle:** 0 (again *NOOOOTHIIIIING.....ZIIILCH.....ZEEERO!!!!!!*)

**Venue:** 8 out of 10 (Tweety / Fingers / Tinkerbelle had difficulty finding a 2 for 1 friend meal deal)
