

RUN 2553
Hare DIVOT
Venue Painters,Dockers and Toe Cutters Pub
28 Jan 2019

The sky was clear, Unusual for a Divot Run when a storm usually hits at 6.14 PM

I arrived early and was told by The GM to do the run report. Interesting there was no set trail just a set of cryptic Instructions on Paper. As far as I could

make it out 

To the Shafston Hotel
Along the Brisbane River
Past the Story Bridge
Up the Bridge Stairs
Over the Old Naval Offices
Back over the Story Bridge
Song Stop about Lord Nelson (Defamation)
Regroup at the Toecutters dock
On On Home to the Pineapple

Good walk Did not do the Run

Circle Made Lill Arseplay SOTW for leaving his?Girlfriend at the Running Creek campsite. Other nominations included Irish Joke (aka Verbal D)

Food::: Bad. Monday night holiday so no special
Bad mistake the Harriettes were there as well, So Perfect Pete was ducking and weaving all night.

Result 5/5 for a different run/walk Food 0/5 No special available
Overall 0/10 Harriettes were there
