

RUN REPORT run 2558

A JOLLY STROLL NEWMARKET HOTEL HARES ANCHOVY AND LITTLE ARSEPLAY

The GM grabbed me, Barebum, to write the run report. The fact that I had a bugged leg and had to leave early to go home to meet French Tour Guests did not save me.

So here goes:

The day was cool and slightly raining as the pack assembled. No hills No creeks etc

The Runners including BUGS TWEETY TINKERBELL MILES OPTUS AND NEWLY NAMED RUNNER ROMBER set off down Ashgrove avenue and were not seen again till just before 7 pm

The PUBBERS, LEECH WHALE BULLRUSHES SHITBAGS AND VD did a circuit of the pub and retired to avoid the showers.

The WALKERS with MORTEIN in the lead and TWIN TUB and ZIT as the tail-end Charlies went off to (As far as I remember) via Ashgrove Ave, Newmarket Gardens van park Across to Banks Street reserve, across the creek to Stewart Rd Home via Ashgrove ave and Davidson street. A standard, sub-par trail for experienced hares.

The circle was a shambles and the usual miscreants of SNAPPY TOM IRISH and ZIT were Iced. Surprise, MULTIPLE CHOICE was the SOTW for the first time in a while.

The hotel has had a major reno and was good value. Schooners only \$11.50 Steaks \$28.99 But the senior's favourites of Coffee and Cake at \$7 was value for money
