

HASH PUB CRAWL RUN REPORT

While Monday guaranteed Snappy the “Whinger of the year award”, Thursday put Handjob and Vaso as number one nominee for “Stuff-up of the year”.

Monty arrived at the first bar (Central Station) for the Hash Pub Crawl at 9.45 for the allotted 10am start only to find it did not open until 11am. As there was no contact number on the crawl instructions he went on to the Clarence Corner pub and was on his third pint before the pack arrived at 11.20am. Lunch at the Morrison was first class. The best steak in Brisbane was enjoyed by most while Vaso had a pizza. Tweety had barra with his mates.

On, on to the Gabba bus station where we waited 40 minutes for a bus that never arrived to take us to the Story Bridge Hotel. Instead we took a bus in the opposite direction back to town where Monty and Vaso disappeared while Handjob led the stayers to the Pig and Whistle.

A most memorable day. VOTE 1 for Vaso and Handjob.
