

Run #2604

Nudgee Beach Surf Lifesaving Club joint run.

Date Monday, 20 January 2020: time 6:43 pm – Run #2605

Verbal Diarrhoea "Hey Fucknut are you ready for the ice tonight?"

Fucknut "Why am I getting iced this week?"

VD "Cos you haven't done last week's run report"

FN "when did you tell me I had to do the run report?"

VD "when I put you on the ice last week for talking in the circle"

FN "I'm deaf and I was too busy talking so I didn't hear you"

VD "stiff shit"

FN "why didn't you remind me. Last year's GM always sent out a reminder?"

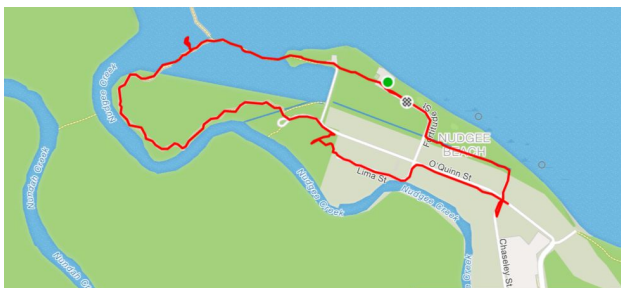

VD "stiff shit"

So..... a decent size pack gathered for the joint Northside BH3 NBSLSC run & listened intently as Radar detailed the fun and games for those that were interested. The rest can please themselves and go for a walk. I went for a walk. Arrived back for the circle that I can't remember too much about because I'm deaf and apparently I was talking in the circle. Snappy Tom maintained his standard as the monk. I can't remember what the icings & who they were for but there were plenty of them. Flower once again had a different down down song for each miscreant & as always excelled. Sherbet and friends provided excellent nosh and the beer was cold. Facebook went wild with accolades for the run and circle. Well done to Radar and friends. Was a good night enjoyed by all.

Run score: don't know didn't do it

Circle: 9/10 - a tad long for me

Nosh: 10/10

Facebook report below:

Last nights shernnanighans at the Nudgee Beach Surf club Carnival.

- Ian Lacey Phil Smart thanks Scruffy. We wanted to put a nit of fun back on to hash, seing this is the only pure joint run we have. Not counting xmas in July. The grand finale was ruined coz some ### rick stole the shark before the run.
