

RUN No. 2639

Kianawah Park  
Wynnum Rd.  
Tingalpa

HARE : VD

Arrived at Venue following a torrential downpour to find VD explaining he had set the trail after the rain and we would be home before the next approaching storm.

The pack headed off across the park with the usual runner suspects, TINKERBELL, OPTUS, INSPECTOR REX, CRAFT etc. leading the way.

Across the footbridge over Bulimba creek into CASSANDRA CRES. and EVERSHOLT ST. with FINGERS extolling his magnificent choices of red wine for the over 60 lunch but failing to explain the late arrival of beer, not enough beer, warm beer and shortage of white wine.

On On across BELMONT RD. into THURSTON ST., left into CASHEL ST. then left again into ANNETTE ST. with a loop back to BELMONT RD. where FINGERS stopped at the local church bible class to seek forgiveness.

Left into PALGRAVE ST. into the TINGALPA PUB carpark then across the park to home.

Trail well marked with walk approx, 44 minutes and home before the next storm.

Great effort by VD to get everyone out and back in between the storms with no loss of trail.

On On was a short affair with assistant Monk Twintub telling a joke about someone fu#king a wheelbarrow

Three contenders for shit of the week saw FINGERS, MULTIPLE CHOICE and DRIFTWOOD who stayed at the George

Hotel until 10.30 pm ( I don` t see the problem ) , FINGERS for his grog catering disaster and MULTIPLE for refusing passengers entry onto to his bus as he needed to get a replacement bus because the lights were not working only to discover after some time that he was wearing his sunglasses !!!!

No prizes for guessing who won SHIT OF THE WEEK.

Great On On with VD supplying cold beer and tasty prawns for his BIRTHDAY!!!!!!

HAPPY BIRTHDAY VD
