

BH3 Run Report:

Run No. 2642 – Tweety & Divots Joint Birthday Run 28th December 2020

Hares: Tweety & Divots

Set on the Brisbane River banks at Captain Bourke Park, Kangaroo Point with a cool breeze from the East.

The runners, **Bugs, Tinkerbelle, T-Rex** (and sons) from Port Moresby set off over the Story Bridge through the city then back over the Good Will Bridge and home for a quick 7K run. Well done **Bugs** and **Tinkerbelle**.

The walkers set off upstream with **Multiple Choice** leading followed by **Grand Master Verbal Diarrhoea, Walkmaster Mortein, Layup** and the other walkers. At about 800 metres, it was evident that **Multiple Choice** had raced ahead. It looked as if he was on the heels for **Bugs and Tinkerbelle**.

The front walkers were down to 3 with **Verbal Diarrhoea, Layup** one other who looped back via the Kangaroo cliffs with a brisk 4k walk. The other walkers, **Monty, XXXX, Luftwaffe, Monk Snappy Tom, Vaso** and others ...NFI.

The majority of walkers reached home, followed by **Verbal Diarrhoea** and **Layup**. **Bugs, Tinkerbelle** and the other runners eventually appeared.

The walkers observed many excellent Camel Toes and Puppies with the view equally good as they walked away.

Tweety and **Divots** provided the victual for the Birthday joint run. Buffalo wings followed by gourmet Dominos Pizzas and washed down with beer from the **Brewmaster Boxa** and the twin birthday celebrants **Tweety & Divots**. **Bugs** and **Tinkerbelle** enjoyed the camaraderie as well as the others.

The **Grand Master, Verbal Diarrhoea's** circle, was swift and followed by a short session the **Monk Snappy Tom** with **XXXX** retaining the **SOTW** until 2021.

NB: Bugs and Tinkerbell threatened the writer if he did not mention **Bugs and Tinkerbell** repeatedly throughout this report.

Thank you, **XXXX** for the Hash Shirts.
