

Run # 2685

Hares - Craft & Scruffy

Cnr Gilmore & Laura Streets Ekibin

Tip, if you find yourself standing next to the GM prior to the run there's a fair chance you will be writing the next run report.

Promoted as Melbourne Cup sweep night organized by the famous bookie "Honest scruffy" we were soon to find out he had been given the arse by "Honest Divot". Apparently, there was a walk & run but as I get older the only way I can remember the details of it is to record a map so if interest see below for more details.

There was no circle as all the activity surrounded Honest Divot and his cohorts removing \$ from all of the pensioners.

As the draw commenced Honest Divot's bonafides were there for all to see with Mrs Divot the 1st out of the hat and allocated the red hot favourite. All to no avail though as the other rigged draw wen to GM Fingers who was the ultimate winner of the huge winnings money pot.

While the draw was happening the free curry chicken nosh was being served up and went like hotcakes. Divot was last seen heading to the food table, grabbing some rice, looking in the pot, uttering loud expletives as he noted the absence of anything of substance being left and walking away in disgust.

Walk/Run – good walk 10/10

Circle – wasn't one but a good time was had with the sweep draw 8/10

Nosh – It was free 10/10
